Pursuant to MCR 7.209(D), the Court VACATES the trial court's July 11, 2007 order regarding bond and stay of proceedings pending appeal. The trial court exceeded the scope of its authority under MCR 7.209(B)(1) by imposing a condition on the stay other than the posting of a bond in a dollar amount sufficient to adequately protect Appellee. In lieu of remanding the matter, the Court orders that no appeal bond be posted. Further, the Court orders that proceedings to enforce the February 1, 2007 judgment, only, are STAYED pending resolution of this appeal or further order of the Court. The order takes immediate effect. MCR 7.215(F)(2).
